*A message from our President*

*Re: The Coronavirus Pandemic and Hypno Expo*

*I know all of you have been watching the activity surrounding the Coronavirus very closely. Over the last 72 hours we have been in contact with organizers, advisors and local, state and government officials to be sure we take the proper steps in preventing the spread of this virus to our members, educators, vendors and their families. Over the last two weeks we all have witnessed the effect this virus has had globally. In light of the recent recommendation by the CDC, for organizers to cancel or postpone events with 50 people or more for the next 2 months, we have decided to deliver this year's Hypno Expo by virtual conference only.*

*The good news is that the Association has been offering virtual conferencing for nearly a decade. So we are comfortable with remote education. Although some times and trainings may change, I can assure you that you will receive excellent content – with great presenters and topics.*

*I want to reiterate my commitment, to provide you with learning opportunities that are safe and viable. Thank you for understanding our position concerning this unprecedented turn in events. We feel it's the most responsible decision at this time. Stay safe.*

*Regards,*
