

Dear friend and colleague,

It's exciting to be hosting this year's event LIVE in Orlando! After 2 years of interactive conferencing, we are looking forward to seeing old friends, exchanging stories and simply catching up.

The conference theme, *A Spectrum of Opportunity*, is a telltale sign of what you can expect to find at this year's event. The positive changes include improvements to the Conference lecture and workshop format, special tracks to refine and target practical courses for new practitioners, and tailor topics to deepen the expertise of established professional practitioners.

Our new venue, the Doubletree by Hilton at Sea World, offers higher quality accommodations and facilities, more economical and varied transportation options, more convenient timing, with a fresh conference format. All these great changes make in-person participation in the 2022 Conference even more valuable than ever for all our members.

This year we've chosen 58 exceptionally gifted and highly acclaimed educators to bring you a versatile and well-rounded combination of extraordinary presentations to fit your experience level, interests and wallet. Collectively you have a choice of participating in nearly 100 award-winning courses, lectures and workshops. Some presentations, uniquely connected to our conference, are not offered in any other venue; so I encourage you to seize the opportunity to select from your skill set 'wish list' and train with the pros! As if that is not enough reason to entice you to attend – included with full conference registration is a selection of six FREE workshops from which to choose.
